This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the necessity to amend Commission Order No. 2015-451 issued in the present docket. Order No. 2015-451 was issued June 30, 2015, wherein the Commission revoked Certificates of non-compliant telecommunications providers. As an attachment to this Order, the Commission inadvertently attached the Exhibit A, Exhibit B, Exhibit C, and Exhibit D, containing the original list of non-compliant telecommunications providers that was prefiled with ORS Witness Rozycki’s testimony as Order Exhibit 1. This Amended Order contains a corrected Order Exhibit 1, which properly identifies the updated list of non-compliant telecommunications providers listed in the revised Exhibit A, Exhibit B, Exhibit C, and Exhibit D that was presented to the Commission during the hearing. Additionally, footnotes have been amended to correctly reflect references to the proper Hearing Exhibits. We are, therefore, issuing this amended

order to correct the attached Order Exhibit. In all other respects, this Order is unchanged from the original.

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition of the Office of Regulatory Staff (“ORS”) to revoke the Certificates of Public Convenience and Necessity of certain telecommunications providers for failing to file Gross Receipts, Annual Reports, Universal Service Fund (“USF”) Reports, and USF Support Payments. The filing of Gross Receipts is required by S.C. Code Ann. §§ 58-3-100, 58-3-540, 58-4-60, and 58-9-370 (Supp. 2014), which is used by the Department of Revenue to annually assess telecommunications providers. Additionally, Annual Reports are required by S.C. Code Ann. § 58-9-370 (Supp. 2014). Annual USF Reports are required by Commission Order No. 2001-996 (October 10, 2001), which allows ORS to calculate a provider’s contribution to the South Carolina Universal Service Fund. The contributions or support payments to the USF are required subsequent to a finding by the Commission according to § 58-9-280(E)(2) and § 58-9-280(E)(3) (Supp. 2014).

A hearing on this matter was conducted on June 17, 2015, in the Commission’s hearing room. ORS was represented by Lessie Hammonds, Esquire, who presented the testimony of Christopher J. Rozycki, Director of Telecommunications for the Office of Regulatory Staff. In pre-filed testimony submitted May 13, 2015, Mr. Rozycki submitted lists of those providers that remained out of compliance with the above filing requirements and requested that their Certificates of Public Convenience and Necessity be revoked. During the hearing, Mr. Rozycki produced updated Exhibits A, B, C, and D

that reflect the current list of providers remaining non-compliant since the filing of testimony.<sup>1</sup> The lists consisted of Exhibit A, showing the providers in violation of the Gross Receipts filing requirement; Exhibit B, showing those providers in violation of the Annual Reports filing requirement; Exhibit C, showing those providers in violation of filing their annual USF Reports; and Exhibit D, showing those providers failing to make supporting payments to the State USF. ORS states that it attempted to contact these providers that remain out of compliance but received no response, and none of the providers contained in the exhibits appeared at the hearing.

After reviewing the evidence, we find the telecommunications providers contained in the revised Exhibit A, Exhibit B, Exhibit C, and Exhibit D<sup>2</sup> are out of compliance with statutory requirements and Commission rules and regulations. We hold that the public interest requires the revocation of the Certificates of these non-compliant telecommunications providers and such Certificates are hereby revoked.

---

<sup>1</sup> The updated Exhibits A, B, C, and D are included in the record as Hearing Exhibit 1.

<sup>2</sup> Attached as Order Exhibit 1.

This Order shall remain in full force and effect until further order of the Commission.
